Works notification

Ballarat East Zone Substation - UPDATE

Out of hours works and road closure York Street between Larter Street and Fussell Street

Friday, 3 October and Saturday, 4 October 2025

Powercor is building a new substation in Ballarat East to enhance the city's energy network and ensure ongoing reliable power access for homes and businesses.

Works

Two oversized site buildings will be delivered to 203 York Street (see map on the next page). Deliveries will take place between 4am and 6am, with works continuing until around 9am.

When

- **4am – 9am, Friday, 3 October 2025**
- **4am – 9am, Saturday, 4 October 2025**

York Street closure, parking and footpath impacts

- During works **York Street will be closed** to through traffic between Larter Street and King Street South.
- **On-street parking will be unavailable** on both sides of York Street between our site and King Street South during this time.
- **Parking will also be restricted** on both sides of York Street between Larter Street and Fussell Street to allow oversized vehicles to pass. Traffic cones will be placed the afternoon before to show the no parking areas.
- **The York Street footpath next to the site will be closed**, foot traffic will be redirected during this time, but the bus stop will remain accessible.

Bus stop temporary relocation

The Pennyweight Park/York Street bus stop on Route 20 (towards Canadian) is temporarily relocated 20 metres before its original position until Saturday 4 October.

What to expect

- Large trucks and support vehicles will deliver the buildings to site.
- Cranes and other heavy machinery will be used to carefully move the buildings into place.
- Tree and vegetation trimming and removal will take place as part of the works.
- Traffic management will be in place to safely guide vehicles and pedestrians around the area.
- Some noise is expected at times while machinery is operating.
- All works will be carried out by Powercor crews and authorised contractors.
