

TIE-IN REQUEST FORM

I request that Powercor Australia undertake the Tie-In works at the location as detailed below. I understand that if a shutdown is required, Powercor Australia reserves the right to nominate the actual date and time of Tie-In to cause minimal disruption to existing customers.

Supply Address

Powercor Reference Number

Powercor MySupply Ref CA-

Powercor Audit Request No. (required for 4 week tie in requests)

Requested Tie-In Date:	Standard Tie In	4 Week Tie In

- Please Note :
- For a standard tie in request a minimum of 10 weeks' notice is required.
 - A '4 week tie in from submission of practical completion' will require a minimum 14 weeks' notice
 - If no requested date is provided tie in will be programmed at 10 or 14 weeks, as appropriate from submission of this form.
 - Due to work schedules, the need to access the existing Network and the need to arrange shutdowns where appropriate, tie in will be programmed as near as practicable to the requested date.
 - Powercor will notify you of the programmed tie in date once available.

I certify that all conditions of the Contestable Works Agreement and Negotiated Connection Contract have been met prior to submission of this 'Tie in Request'.

I acknowledge that should the constructed works not meet the required Powercor standards this Tie-In Request and the associated Certificate of Practical Completion will be cancelled. If cancellation occurs, I acknowledge that Submission of a new Certificate of Practical Completion and Tie In Request will be required.
