

CUSTOMER COMPLAINTS POLICY

Our company vision “*Connecting for a bright future*” and the company value “*Make it easy for your customer*” includes the need for excellence in customer service.

To fulfil our vision and values, we treat all customer feedback on our performance as an opportunity to learn and improve our customer service.

We aim to resolve customer complaints at the interface between the customer and the officer responsible for service provision. Where this cannot be achieved, we have an internal escalation process that is designed to reach a mutually acceptable solution to the customer complaint.

We acknowledge receipt of customer complaints within 2 working days. Our aim is to resolve customer complaints within 8 working days. Where we cannot reach a resolution within 8 working days we will keep the customer informed of progress and seek agreement with the customer on the resolution timeframe.

Complaints can be lodged via our on-line [Customer Feedback](#) form.

For other ways to lodge customer feedback, please refer to our [Contact Us](#) page.

We review trends in customer complaints to seek continual improvement in all aspects of our business.
