

## GRANT RECIPIENTS - 2020

### ROUND THREE

Club	Grant	Description
<b>Ballarat-Redan Cricket Club, Alfredton</b>	\$3,750	Based in Alfredton on the edge of Ballarat, the grant will support the replacement of a faulty oven which was second hand when it was acquired by the club over ten years ago.
<b>Bamawm Lockington United Cricket Club, Bamawm</b>	\$5,000	This canteen at this regional club is operational six days a week. The grant will address electrical hazards observed with major appliances, some of which are over 25 years of age. Safety switches and a new circuit will also be added to the canteen.
<b>Bendigo United Cricket Club, Bendigo</b>	\$5,000	The Bendigo United Cricket Club is one of the oldest crickets clubs in Australia having originated in 1853. The funding will replace and upgrade appliances currently not functional or creating safety hazards for this large club.
<b>Bonbeach Cricket Club, Bonbeach</b>	\$3,000	A faulty freezer will be replaced through the grant for this expanding club which has introduced two women's team to the club this year.
<b>Buckley Ridges. Cricket Club, Dandenong</b>	\$4,000	One of the oldest cricket clubs in the greater Dandenong region catering to the needs of a changed demographic that now includes a significant proportion of kids and young men from lower socio-economic backgrounds including Afghan refugees, will now be able to replace a range of essential canteen appliances which are at end of life.
<b>Bulleen Cricket Club, Bulleen</b>	\$3,000	The grant will replace an unreliable fridge and pie warmer which are over 25 years old. At its peak the Club fielded six senior sides and six junior sides. Today the club fields three senior turf sides, a one day senior side, a veterans side and eight junior sides.
<b>Carnegie Cricket Club, Carnegie</b>	\$4,000	A demographically diverse club, Carnegie Cricket Club will replace a fridge which has become a safety hazard through this grant.
<b>Carnegie United Cricket Club, Clayton</b>	\$3,000	Also known as CUCC Kings, one of the fastest growing clubs in the South East Cricket Association. The grant will support the replacement of aging electrical appliances, some of which have been donated second and third hand and are well beyond their life expectancy.
<b>Carranballac Cricket Club, Carranballac</b>	\$3,250	Small country club reliant on funding to maintain their club, a shed. The grant will replace aging and defunct appliances including a 30 year old pie oven.
<b>East Belmont Cricket Club, Belmont</b>	\$4,500	A club built on the strong bonds between its members of all ages and ability levels, the grant will replace an oven which requires regular maintenance and repairs.

<b>Glen Waverley Cricket Club Inc, Glen Waverley</b>	\$3,200	One of the largest cricket clubs in the South East region with over 230 participants, grant funding will reduce the risk of electrical fire by replacing an unreliable oven and rangehood, as well as a freezer.
<b>Jan Juc Cricket Club, Jan Juc</b>	\$5,000	Formed in a local bar on a Friday night in 1981, Jan Juc Cricket Club will use grant funding to upgrade electrical infrastructure in the canteen.
<b>Monash Cricket Club, Mount Waverley</b>	\$3,000	The pandemic has made it increasingly hard for Monash Cricket Club to continue fundraising required to replace aging and defunct electrical appliances. Grant funding will support the purchase of a new fridge and food warmer.
<b>Northcote Cricket Club, Northcote</b>	\$5,000	Funding through the grant will support Northcote Cricket Club in reinstating their club canteen with updated electrical infrastructure and a new fridge.
<b>Omega Cricket Club, Moorabbin</b>	\$5,000	Grant funding will enable Omega Cricket Club to improve electrical power points, replace a leaking fridge and improve aging electrical appliances.
<b>Waurm Ponds Deakin Cricket Club, Waurm Ponds</b>	\$1,500	A volunteer-run community club with three senior teams in the Geelong Cricket Association, members include local residents, university staff and alumni, and international students from India, Sri Lanka and Singapore. Grant funding will replace a fridge which is at end of life, removing the risk of an electrical fault in the canteen.
<b>Watchem Panthers Cricket Club, Watchem</b>	\$2,500	A small town in Regional Victoria, Watchem Cricket Club has been back in operation for 5 seasons after more than 20 years in hiatus. As the only sporting club left in town,
<b>Werribee Centrals Cricket Club, Werribee</b>	\$5,000	The funding will support electrical works to replace old wiring and a switchboard, as well as install additional points to replace long extension cables.
